**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because the telephone company that owns the copper has terrible pricing, poor customer service, does not support the type of privacy that I expect as an American, and they repeatedly push their customers to bundle services that are not wanted or needed. Do not remove the competitive service, it is critical to an open market place that benefits consumers.
